The Ahmadiyya Movement in Islam, Vaughan East Community is proud to host its first Interfaith Symposium. Prominent religious personalities will present their faith's perspective on a given topic of community interest. These symposiums are intended to provide the Vaughan multi-faith community with a forum to understand different religions, share knowledge, promote tolerance and work towards living in peace and harmony - which is the prime objective of the Ahmadiyya Community.

We hope to attract inquiring minds to this presentation by speakers of **Hinduism, Judaism, Christianity and Islam.**

We welcome you to join us at this open Interfaith Symposium. No pre-registration is necessary but an advance confirmation is appreciated by phone **(416) 464-3010** or by e-mail: **info.vaughaneast@ahmadiyya.ca**
Please join us in building a tolerant and understanding community, that we may leave as a beautiful legacy for our children.
