The Ahmadiyya Muslim Community was initiated under Divine guidance by Hadrat Mirza Ghulam Ahmad of Qadian, India in 1889. He claimed to be the Promised Messiah and Imam Mahdi of the Latter Days, whose advent was awaited by the world community of religions. Ahmadiyyat, which he founded under Divine guidance, is not a new religion. It represents the essence of the pristine and pure Islam enunciated by the Holy Prophet Muhammad (on whom be peace and blessing of God). The Community established by Hadrat Ahmad is an embodiment of the benevolent message of all world religions; peace, universal brotherhood, and submission to the Will of God.

The objective of the Movement is to educate the world about Islam, to promote understanding among people of different religions and to establish harmony by bringing people closer to God.
